

Feedback

It is the end of the experiment! Don't hesitate to leave us a feedback.

Answers to these questions will not affect your reward but will help us to better understand your answers.

Did you enjoy doing this experiment?

To what extent did you do the experiment carefully and thoroughly?

Please be honest!

Anything else you would like to share with us?

Please note that these comments might be shared publicly as part of the results of this study - avoid sharing personal information.
